## Invitation

On behalf of the Organising Committee, we are pleased to invite your organisation to participate as a sponsor or exhibitor at the 2026 Renal Society of Australasia (RSA) Conference. The 2026 conference will take place 17 – 19 June and will be delivered in-person at the Te Pae Christchurch Convention Centre, New Zealand.

The RSA Conference is the leading event for renal health professionals across Australia and New Zealand, bringing together a multidisciplinary community dedicated to improving kidney care. This event provides a forum to share knowledge, inspire innovation, and strengthen connections among professionals working in hospitals, community services, and rural and regional health facilities.

The conference is designed for nurses, social workers, dietitians, technicians, unit managers, transplant coordinators, and allied health professionals across all areas of renal care — including haemodialysis, transplantation, CKD, peritoneal dialysis, research, and education.

Providing opportunities for learning, collaboration, and professional renewal, the RSA Conference is created by and for renal health professionals who play a vital role in improving the lives of people with kidney disease.

### Why Partner with the RSA Conference

Supporting the RSA Conference provides your organisation with unique and valuable benefits:

- **Exposure** to a qualified, relevant and influential audience before, during and after the event
- **Direct networking opportunities** to promote your organisation's products and services to key decision-makers in renal healthcare
- **Brand alignment** with the leading multidisciplinary organisation dedicated to advancing kidney care
- **Relationship building** — consolidate existing industry connections and establish new ones

Your support plays an integral role in enabling the RSA to deliver a high-quality conference experience, foster collaboration, and continue advancing the care of people with kidney disease.

The following opportunities are designed to maximise your brand visibility and engagement with leaders in the renal sector. We invite you to review the range of opportunities available or discuss tailored options to best meet your organisation's objectives and ensure maximum value from your involvement.

Your participation and support of the event is greatly valued and we thank you for your consideration.

Please contact [rsa@conferencedesign.com.au](mailto:rsa@conferencedesign.com.au) to discuss your support of the 2026 RSA Conference.

For Annual Partnership opportunities with RSA, more information can be found [here](#).

## Scholarships and Awards

### Scholarship

**\$3,500 per scholarship**

**Please contact [rsa@conferencedesign.com.au](mailto:rsa@conferencedesign.com.au) to book this package.**

RSA YOUng evolved from RSA Boards' desire to support young members; future RSA leaders, in making a difference to people with kidney disease.

RSA YOUng's mission is to evaluate and understand the needs of young nephrology healthcare professionals throughout Australia and New Zealand. This in turn drives RSA policy in relation to future education, research, professional development and leadership opportunities within the RSA for this specific member group.

The RSA conference program will feature a range of initiatives to support early career professionals and our next-generation leaders. You get involved by sponsoring a scholarship to attend the RSA Conference.

#### Your scholarship will cover:

- One (1) registration for an RSA YOUng member to attend the RSA 2026 Conference including all social functions
- Up to \$400 voucher to support their travel
- Three nights' accommodation

To be eligible to receive a scholarship, recipients will need to complete an application form and meet the selection criteria as outlined by the RSA

#### Inclusions:

- Naming rights of your scholarship
- Logo printed on the scholarship certificate
- Opportunity to present the certificate to the scholarship recipient during the conference dinner
