

**Nau mai
haere mai
ki Ōtautahi**

**Inspiring and Enabling:
Diversity in Action**
- Every Voice,
Every Patient

17-19 June 2026
**Te Pae Christchurch
Convention Centre**

Join renal professionals from across Australia and New Zealand for three dynamic days of learning, collaboration, and connection.

WHAT TO EXPECT

- Interactive learning experiences and practical insights
- Latest advances in renal clinical care, research and outcomes
- Hands-on Learning Labs and workshops
- Opportunities to connect with peers, leaders and industry

Together, we will explore practical approaches to delivering optimal kidney care – ensuring every voice is heard and every patient receives the quality care they deserve.
